

MALTA REMOTE GAMING COUNCIL

c/o: '42'
Triq Santu Rokku,
Birkirkara
MALTA

Serving the Remote Gaming Community in Malta

Why I should join:

1. The more members we have the more our Voice will be heard.
2. The Council acts as your Voice with regulators, Government Agencies and other parties on matters that directly affect the licensed operators.
3. The Council listens to your issues and presents a common front with the Lotteries and Gaming Authority or any other body. Examples from the past: VAT issues, USA, network monitoring, draft remote gaming regulations, MSA, etc.
4. The Council keeps you up to date with events, local legislation, and major news items that directly affect the licensed operators.
5. The Council provides a forum for discussion for those issues that are most relevant and pressing for the licensed operators.
6. The Council is a lobby group dedicated to defending the rights of the operators licensed in Malta.
7. To help the remote gaming industry build credibility and to promote responsible and fair gaming.
